Restaurant-Food Store Searching Web-Site “Japanese Heart.”

“Japanese Heart” is a comprehensive store search-engine. We only list stores; supporting food safety, which are required by people with allergies and those who want to eat vegetarian and Halal food in Japan.

Supervised and recommended by noted chefs and experts

To respond to the needs for avoiding 7 major allergens,
vegetarians, vegans and finding Halal foods in Japan

The CEO of DOYAKAI, CO., LTD, as a sake brewer, grew up looking at the back of his father, who gave the medal of the Yellow Ribbon, facing “live” ingredients such as water, rice, and yeast in a serious game, and learned about the pursuit of food.

Having such a background and affection to eat, CEO seriously seek foreigners to enjoy eating in Japan, with having choices and feeling safe.

This is a comprehensive store searching site/ search-engine, which introduces stores in Japan offering "food service" that is qualified and with caring food safety for Vegans and Muslims who seek to eat Halal food.
